Vinjamur,
India

SKILLS

Programming Language

Python, C

Tools and Technology

Generative AI , Altium Designer

Web Technologies

HTML, CSS

Database

Chroma dB

PROJECTS

EduChat AI

Software used : React, PostgreSQL, LLaMA(via Ollama)

Description : Developed a smart college chatbot to assist students with academic queries and campus information. Designed a React-based frontend for interactive chat and implemented PostgreSQL for reliable data management. Integrated LLaMA through Ollama to enable natural language understanding and AI-driven responses, delivering instant and context-aware support to enhance student engagement and campus communication.
